"Welcome to my little corner of the internet, where clouds, nature, and whimsy come together. I'm Seerat , a photography enthusiast with a passion for capturing the beauty of the world around us. When I'm not chasing clouds, you can find me collecting adorable treasures that bring a smile to my face."

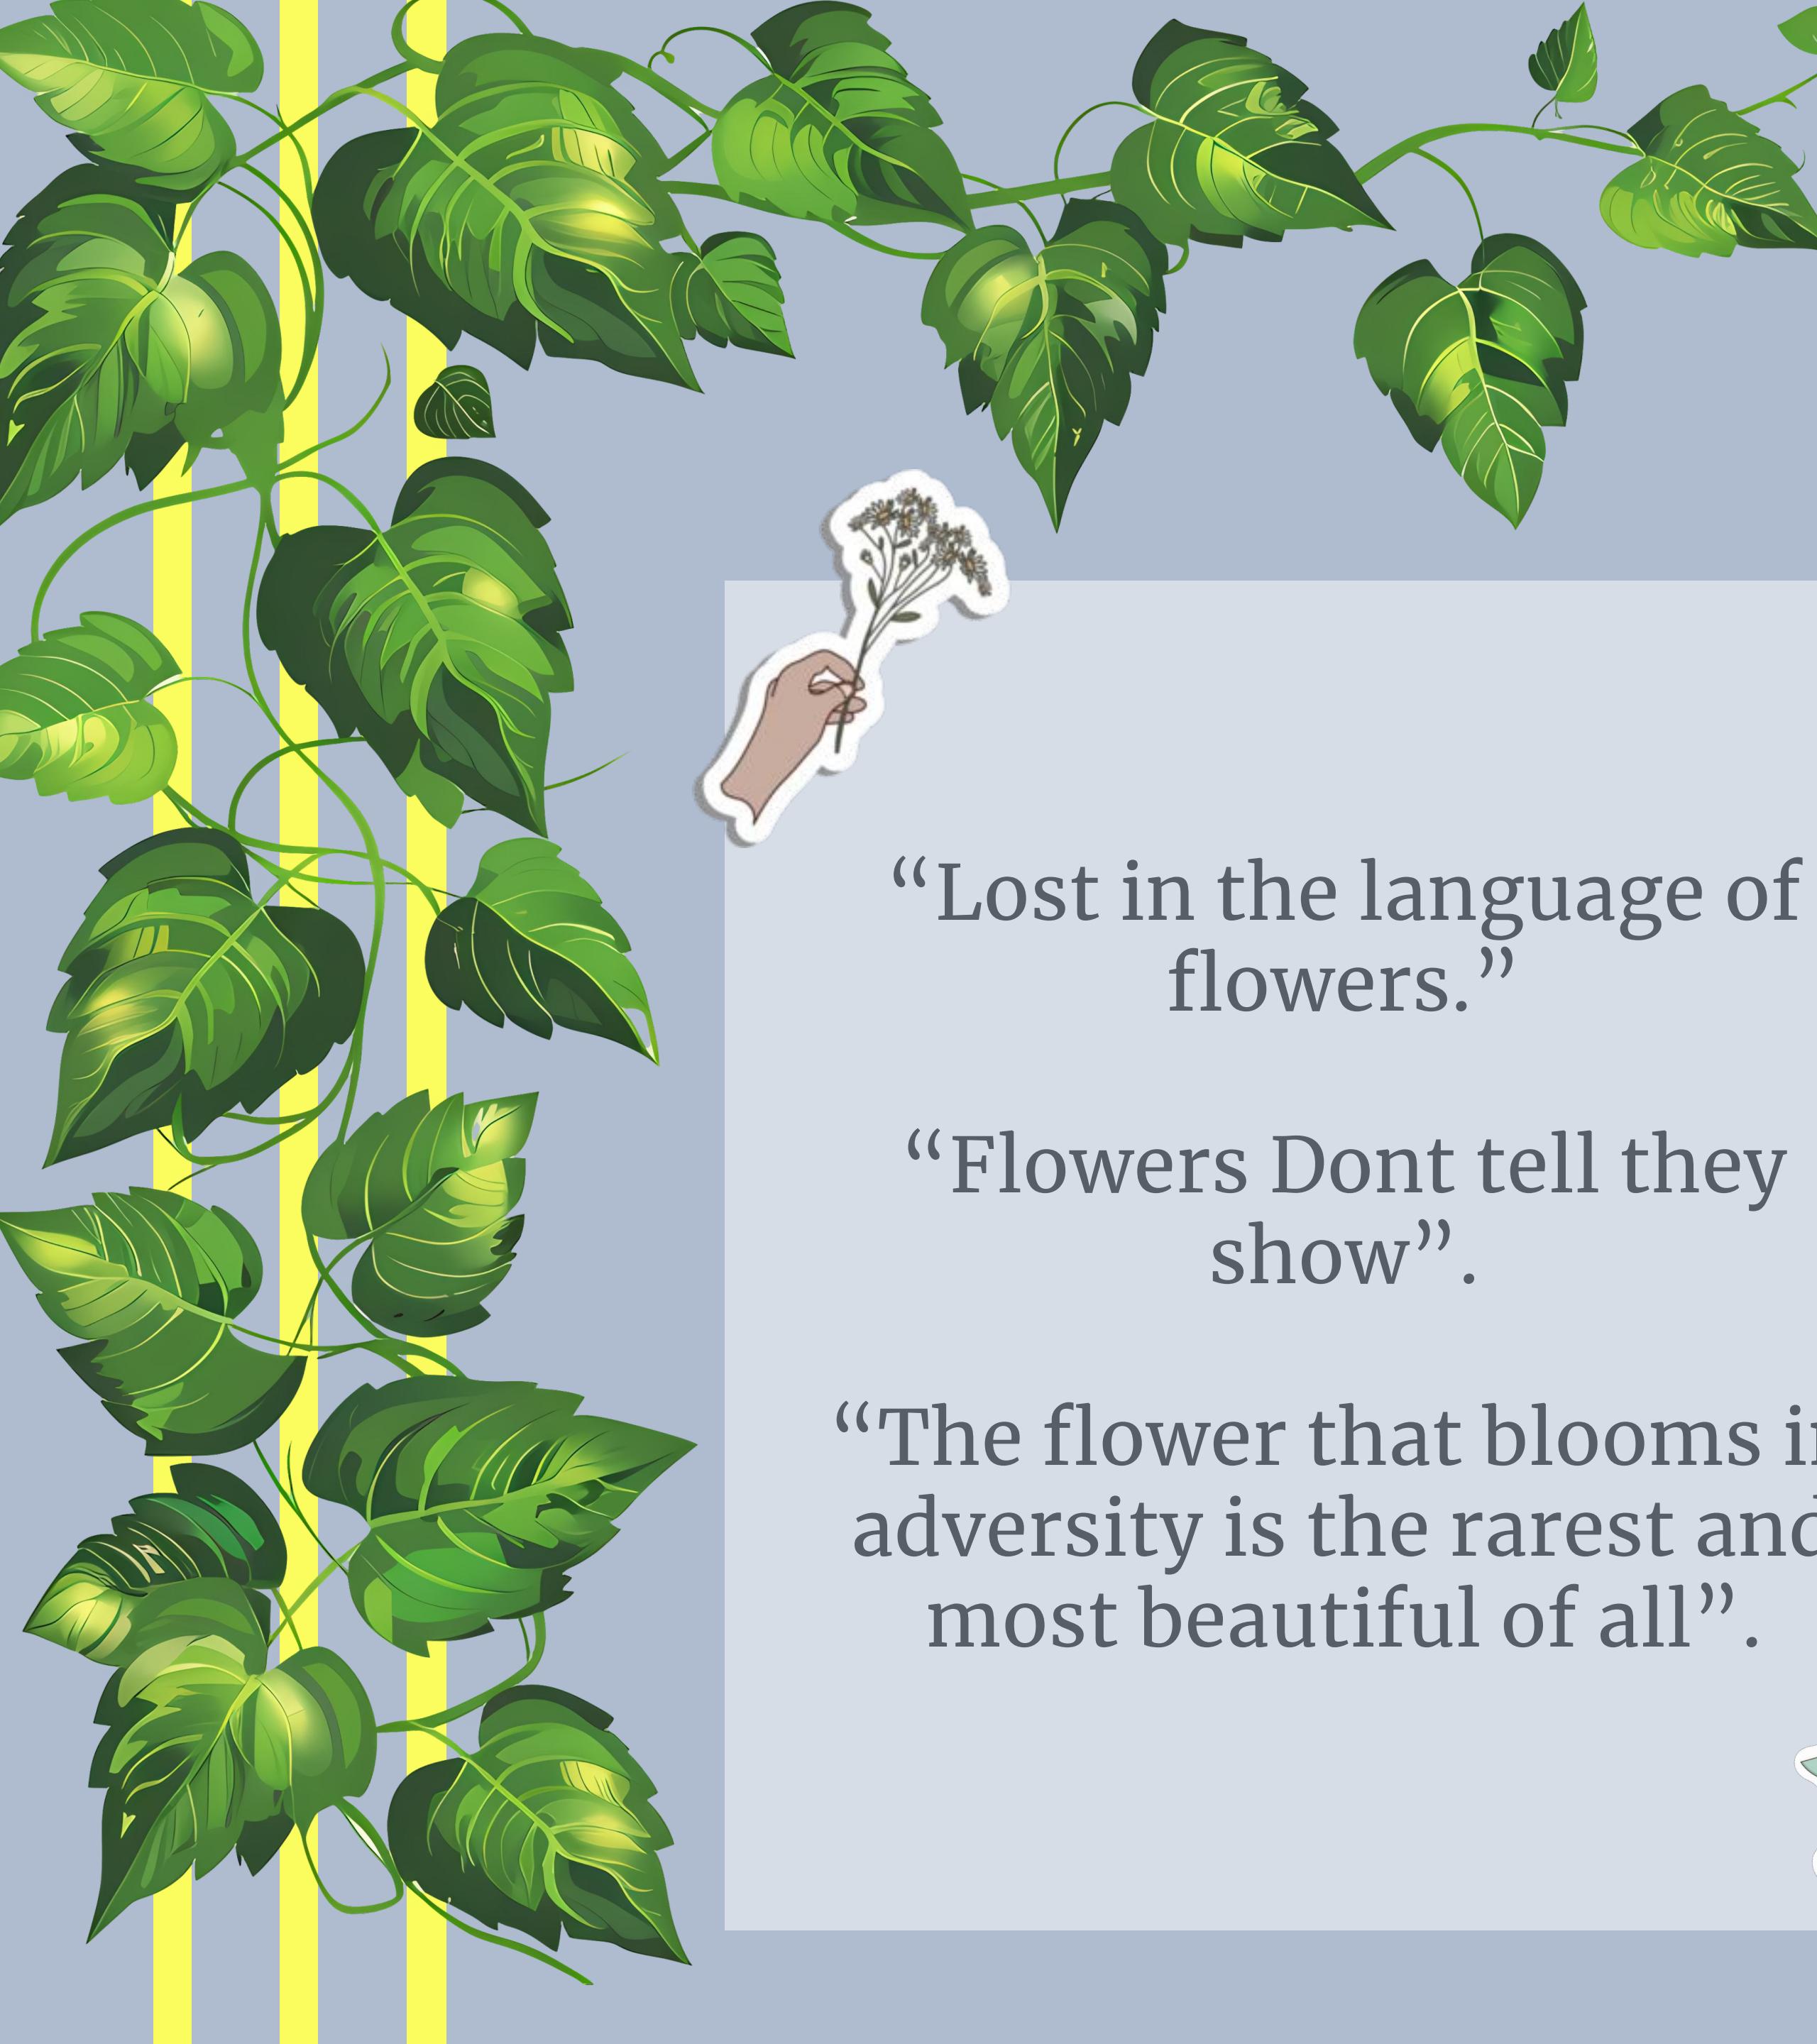

## **“NEPHOPHILE”**

A person who  
love clouds

📍 Islamabad,  
PAKISTAN.

My favorite quote  
about clouds,  
“Up in the clouds,  
Far from crowds”

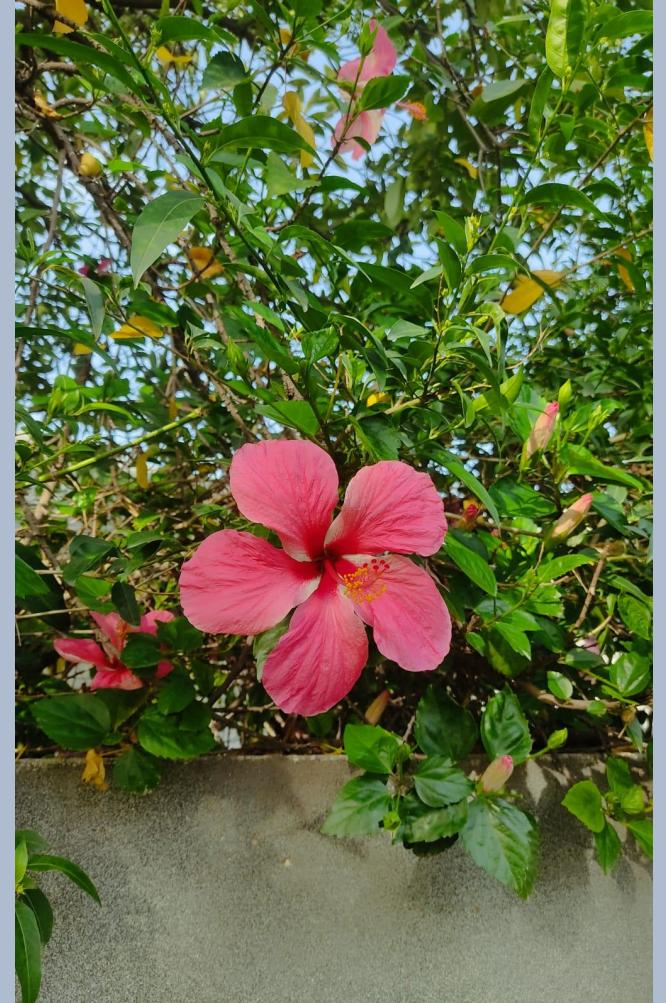

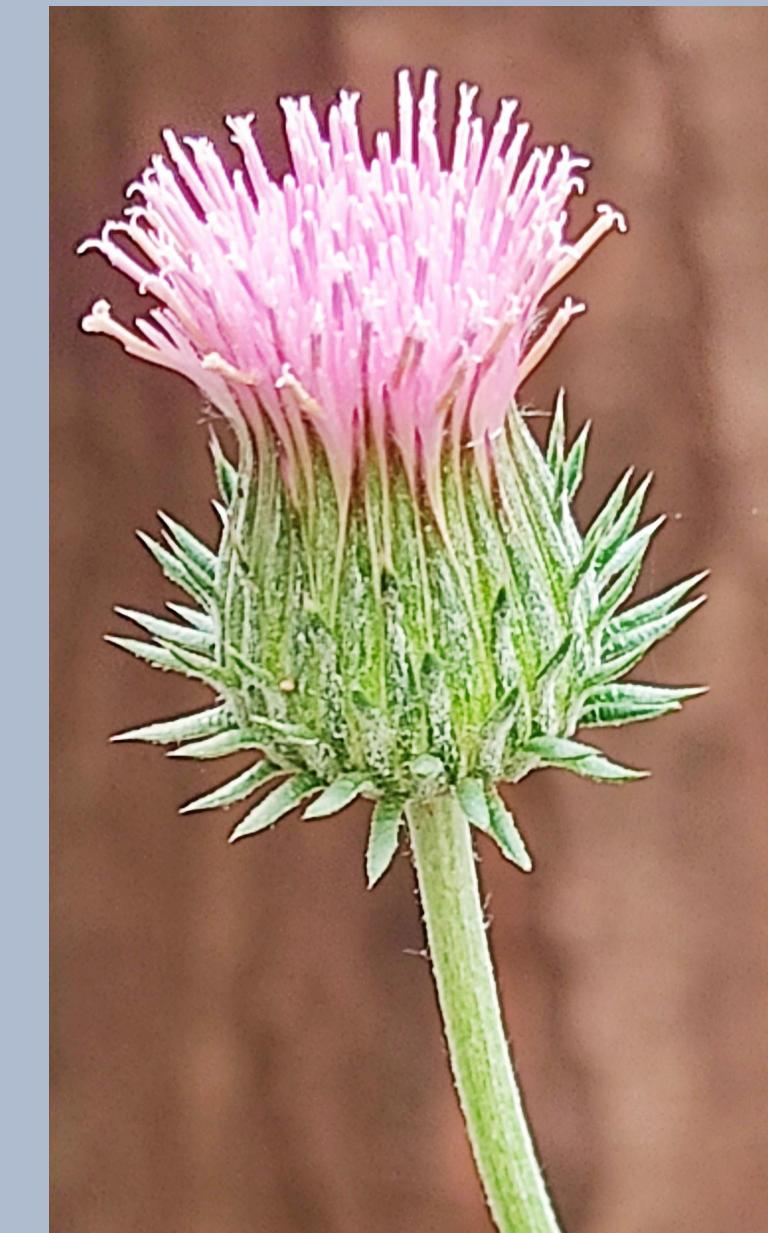

“Lost in the language of flowers.”

“Flowers Dont tell they show”.

“The flower that blooms in adversity is the rarest and most beautiful of all”.

We should enjoy little things in life. Especially nature as its a Blessing and we only live once so Live it to the FULLEST.
